We invite you to join with others and partner with OBP to help make a difference in our community!

OBP partners represent a broad cross-section of the Oberlin community — individuals and families, non-profit and faith-based organizations, and businesses working together to advance and promote the sustainable growth and prosperity of the Oberlin community.

HOW DOES OBP ENHANCE THE LOCAL ECONOMY?

- We administer programs to create a vibrant and beautiful downtown – hanging flower baskets, sidewalk flowers and furniture, street pole banners, lighting projects.
- We keep money flowing through our community by bringing thousands of people to Oberlin annually to shop, dine, learn, play, and stay and by selling over $13,000 in Oberlin Gift Certificates in the last two years!
- We keep people "Informed and in Touch" through networking and information sharing events and social media.
- We serve as Oberlin's visitor resource center.
